Chapter 1 by Gizmo

There it was staring at me with furrythat furry little beast. I felt like passing out but then I jumped on the chair and called the person I knew who loved me enough to come.....my Sister. Se got there 30 minutes later.

"Whats the emergency!" She yelled

"THERE" I shrieked. Pointing at the MONSTER.

"What the HELL is this!"

"KILL IT" I yelled.

She gave me a look of discussed as if I murdered someone. She killed it with her shoe and turned towards the door looked back to me then headed towards the door. I could see why she was mad she did live at least 30 minutes away....

You could tell by her facial expression she was more than pissed she left without saying another word. I felt relieved. So very relieved.... I saw a black fuzz blowing across the floor and under a door that I hadn't noticed before. (I have lived in thins house for 12 years)I opened the door not ready for what I had seen. It was a nest bigger than me, Bigger than anything. And the spiders were even bigger. I started to feel nauseous and then things went black completely black.....
